About Vulcan® Park and Museum

Vulcan Park and Museum is one of Birmingham's most popular attractions with state-of-the-art facilities that provide visitors from all over the world with insightful history lessons about our region. The centerpiece of this historic complex is Vulcan, the largest cast iron statue in the world. The museum shares with all visitors the city's history, its influential residents and the events that not only shaped our city, but an entire nation. The park also features meeting and event space indoors and out for public events or private functions, and a gift shop with Birmingham and Vulcan memorabilia perfectly suited to welcome new residents, visitors to the region, or to have in a home or office.

Vulcan Park and Museum is a 501©3 organization. All proceeds from ticket purchases will be used to support Vulcan Park and Museum's mission to preserve and promote Vulcan as the symbol for the Birmingham region, advance knowledge and understanding of Birmingham's history and culture, and to encourage exploration of the region.
