## Services Offered

**Cash Bar:** Individual guests pay for each alcoholic beverage.

**Classic Open Bar:** The host pays for all alcohol prior to the event. This will be in the form of full liquor/wine bottles, cases of beer, mixers, garnishes, and/or kegs.

**Limited Consumption Bar:** The host sets a specific consumption amount for the bar that is tabulated per drink.

**Drink Ticket Consumption Bar:** The host distributes drink tickets and is billed per drink. This option helps regulate alcohol consumption by your guests.

**Open Consumption Bar:** The host is billed for the drinks consumed after the event. The hosted bar offers unlimited Beer, Wine, and/or Liquor.

- Drink prices are event dependent
- We can also provide non-alcoholic beverages to include sodas, lemonade, tea, water, etc.
- We can mix any of the services together (i.e. Open Wine & Beer with Cash Liquor Bar)
- All bars will have a Bar Service Fee. This includes setup, breakdown, our insurance, clear plastic cups, napkins, straws, and any other bar supplies & tools needed to provide a complete bar setup.
- Ask about our bar rentals, champagne towers, etc.
- Mixers and garnishes are not included in the Bar Service Fee for the Classic Open Bar.
- Kegs cannot be used for consumption and must be purchased in full. Keg purchases will require other equipment rentals.

### **Labor:**

- **Bartender** – The number of bartenders will depend on how many bars you would like to have and how many guests you are expecting. We can assist with estimates.
- **Bar Manager** – helps facilitate, oversee, and help with all alcohol operations. A Bar Manager is required.
- **Bar Back** – Helps restock the bar as supplies begin to get low, helps the bartenders so that the bartenders can focus on serving event guests.
